

The chocolate wall fountain will appeal to the most innovative venues on the market as it offers the possibility of obtaining a sensational atmosphere creating, on an area of about 2 square meters, a waterfall of continuous flowing chocolate that, in addition to the visual effect emphasized with LED lighting, emanates inviting aromas of chocolate inside the room.

Designed and built for those who wish to possess within their premises a particular and unusual piece of indisputable effect.

The machine is delivered 'bare', i.e. without a wooden frame around the edges, for subsequent insertion in the furnishings of the hosting premises.
